MANITOBA
CENTENNIAL CENTRE
CORPORATION

Third Quarter Report
2025-2026

October 1–December 31, 2025

Operational Highlights

The development of The Manitoba Centennial Centre commemorates two significant events: the 100 years of the confederation of Canada in 1967 and the Centennial of Manitoba in 1970. Planning for the Centennial Centre began in 1960 under then Premier, Duff Roblin. *The Manitoba Centennial Corporation Act* was passed on May 6, 1963. The Centennial Corporation was responsible for design, construction and development of the centre. The plan called for the construction of an arts district on a five acre site across from the new Civic Centre as a way to “commemorate Canada’s centenary and initiate a broad scheme of urban renewal in Winnipeg’s Point Douglas Area”. In time it would include a concert hall, museum, planetarium, theatre centre and parkade. In 1967 *The Manitoba Centennial Centre Corporation Act* was passed creating a new corporation with authority to operate and conclude outstanding transactions remaining after *The Manitoba Centennial Corporation Act* was dissolved on March 31, 1972.

The MCCC continues to support cultural and community events that reflect the diversity and interests of Manitobans. From October 1–December 31, 2025 the following events were held at the Centennial Concert Hall: Wild Kratts Live, Classic Albums Live Performs Pink Floyd The Wall, Louis Riel School Division Choral Celebration, Rocky Horror Picture Show, six performances of MJ the Musical, Seven Oaks School Division In-Service and Neil deGrasse Tyson. The lobby areas of the Centennial Concert Hall were rented for the Luckygirl Holiday Pop Up Market and Champagne Supernova’s new year’s eve event. The Winnipeg Symphony Orchestra held 16 performances. The Manitoba Opera held four performances of Tosca. The Royal Winnipeg Ballet held five performances of Hansel & Gretel and 10 performances of the Nutcracker.

Monument Productions Winnipeg rented Manitoba Production Centre during the period.
